

Prevention programs

Wellness my Way includes free and low cost prevention programs that help people make positive health changes. A range of statewide and local programs are all available either virtually, via phone, or face to face in the community to improve access to support close to home.

This list of prevention programs available through Wellness my Way is current as of December 2025.

For the most up to date list of programs, please visit: hw.qld.gov.au/wellnessmyway.

PROGRAM NAME	PROGRAM DETAILS	HEALTH BEHAVIOUR	LOCAL AVAILABILITY
